WELCOME TO THE GREEN PAGES:

YOUR GUIDE TO SUSTAINABLE BUSINESSES IN THE GREATER STILLWATER AREA

The **Greater Stillwater Area Green Business Directory (GBD)** connects you with businesses committed to sustainability. Each member meets high environmental standards, from energy efficiency to waste reduction. By choosing these businesses, you support a greener future and a thriving local economy.

BROWSE ONLINE: www.SustainableStillwaterMN.org/gbd

The **Green Pages** categorizes these eco-conscious businesses, making it easy to find sustainable options for dining, shopping, home services, and more.

ABOUT SUSTAINABLE STILLWATER MN

Sustainable Stillwater MN (SSMN) is a nonprofit dedicated to building a healthy, resilient community through sustainability initiatives in **Economy, Environment, Energy, and Transportation**. We work to reduce carbon footprints, enhance ecological health, and promote sustainable living through advocacy, education, and community engagement. Our programs support local businesses, encourage green infrastructure, and empower residents to make eco-friendly choices that benefit both people and the planet.

The **Green Business Directory**, a key part of our Green Business Program, strengthens the local economy by connecting eco-conscious consumers with businesses that prioritize sustainability. By promoting green businesses and highlighting their environmental commitments, we aim to make sustainability the standard in the Greater Stillwater Area.

JOIN THE GREEN BUSINESS DIRECTORY

Showcase your commitment to sustainability and gain visibility by joining the **Green Business Directory**. Certified members enjoy promotional benefits, networking opportunities, and recognition as leaders in the green business community. Whether you're new to sustainability or already making a positive impact, your participation strengthens the local economy and supports a healthier planet. **Apply today:**
